A Tribute to Tom Petty and the Heartbreakers

In 2008, Tom Petty and the Heartbreakers celebrated 35 years as a band with the release of their documentary DVD, an appearance at the Super Bowl, and one of the highest grossing tours of that year. Today, people are as moved by the music as they were in the 70's.

Full Moon Fever is San Diego's premier tribute to Tom Petty and the Heartbreakers. We are musicians and fans dedicated to recreating the sound and energy of a live Petty show. With an extensive song list consisting of a mixture of old and new hits, plus a few B-sides, *Full Moon Fever* delivers hours of non-stop Petty guaranteed to rock the audience.

The attached MP3 file "FullMoonFever_Demo.mp3" contains demo clips from 6 different songs. The total length is just 2.5 minutes and will give you an idea of our sound. For full length demos, photos, and videos from live performances, please visit www.pettyband.com.
